

## 2.0 HEALTH AND SAFETY STATEMENT

It is the policy of Westwood Pipelines T/A Egeplast UK or subsidiary and/or associated companies (referred to as 'the Company') to comply with the terms of the Health & Safety at Work Act 1974, The Management of Health and Safety at Work Regulations 1999 and associated protective legislation, both as an Employer and as a Company.

The Directors of the Company accept their role, collectively and individually in providing Health and Safety leadership to ensure their decisions reflect the Company Health and Safety Statement and to engage the active participation of employees in improving health and Safety.

It is the Company's policy to take all reasonable measures, in fulfilment of its moral, legal and economic responsibilities to ensure the health, safety and welfare of its employees and those affected by the Companies actions.

Each individual has a duty to take reasonable care for the health and safety of themselves and of others who may be affected by their actions or omissions at work.

The company is committed to achieving high standards of health and safety not only in respect of its own employees but also in relation to visitors of the company, including contractors and temporary workers, as well as any members of the public who might be affected by our operations.

Anyone who falls into the below require special attention:-

- Self-employed operatives
- Sub-Contractors
- Young persons and the inexperienced
- General public
- Temporary workers

This Policy and any accompanying procedures is endorsed by the Managing Director who is ultimately responsible for its implementation and will ensure it is regularly reviewed.
